Dear Sponsor:

My name is _____ and I have been selected to play for the North Bay Trappers AAA Hockey Team. The North Bay Trappers have a long history in the City of North Bay and at present the team competes in the NOHL and Great North Midget League. We travel throughout Northern Ontario. We'll also be competing in tournaments this year in other parts of Ontario and the U.S.

As a member of the North Bay Trappers, I will be given the opportunity to compete with some the best players in Ontario and develop my skills as a player and person on and off the ice. In order to participate in this great opportunity, I am asking for your financial assistance, I am currently seeking sponsorship and support from individuals and businesses to assist with the financial costs associated with my participation as a member of the North Bay AAA Trappers.

I will be happy to answer any questions you might have regarding the North Bay Trappers AAA Hockey Team.

I appreciate you taking the time to read this letter and for considering me as a candidate for support.

Sincerely,

NORTH BAY TRAPPERS AAA HOCKEY
